Les Figs Press 2017/punctum press 2022

: let's go back to the beginning :

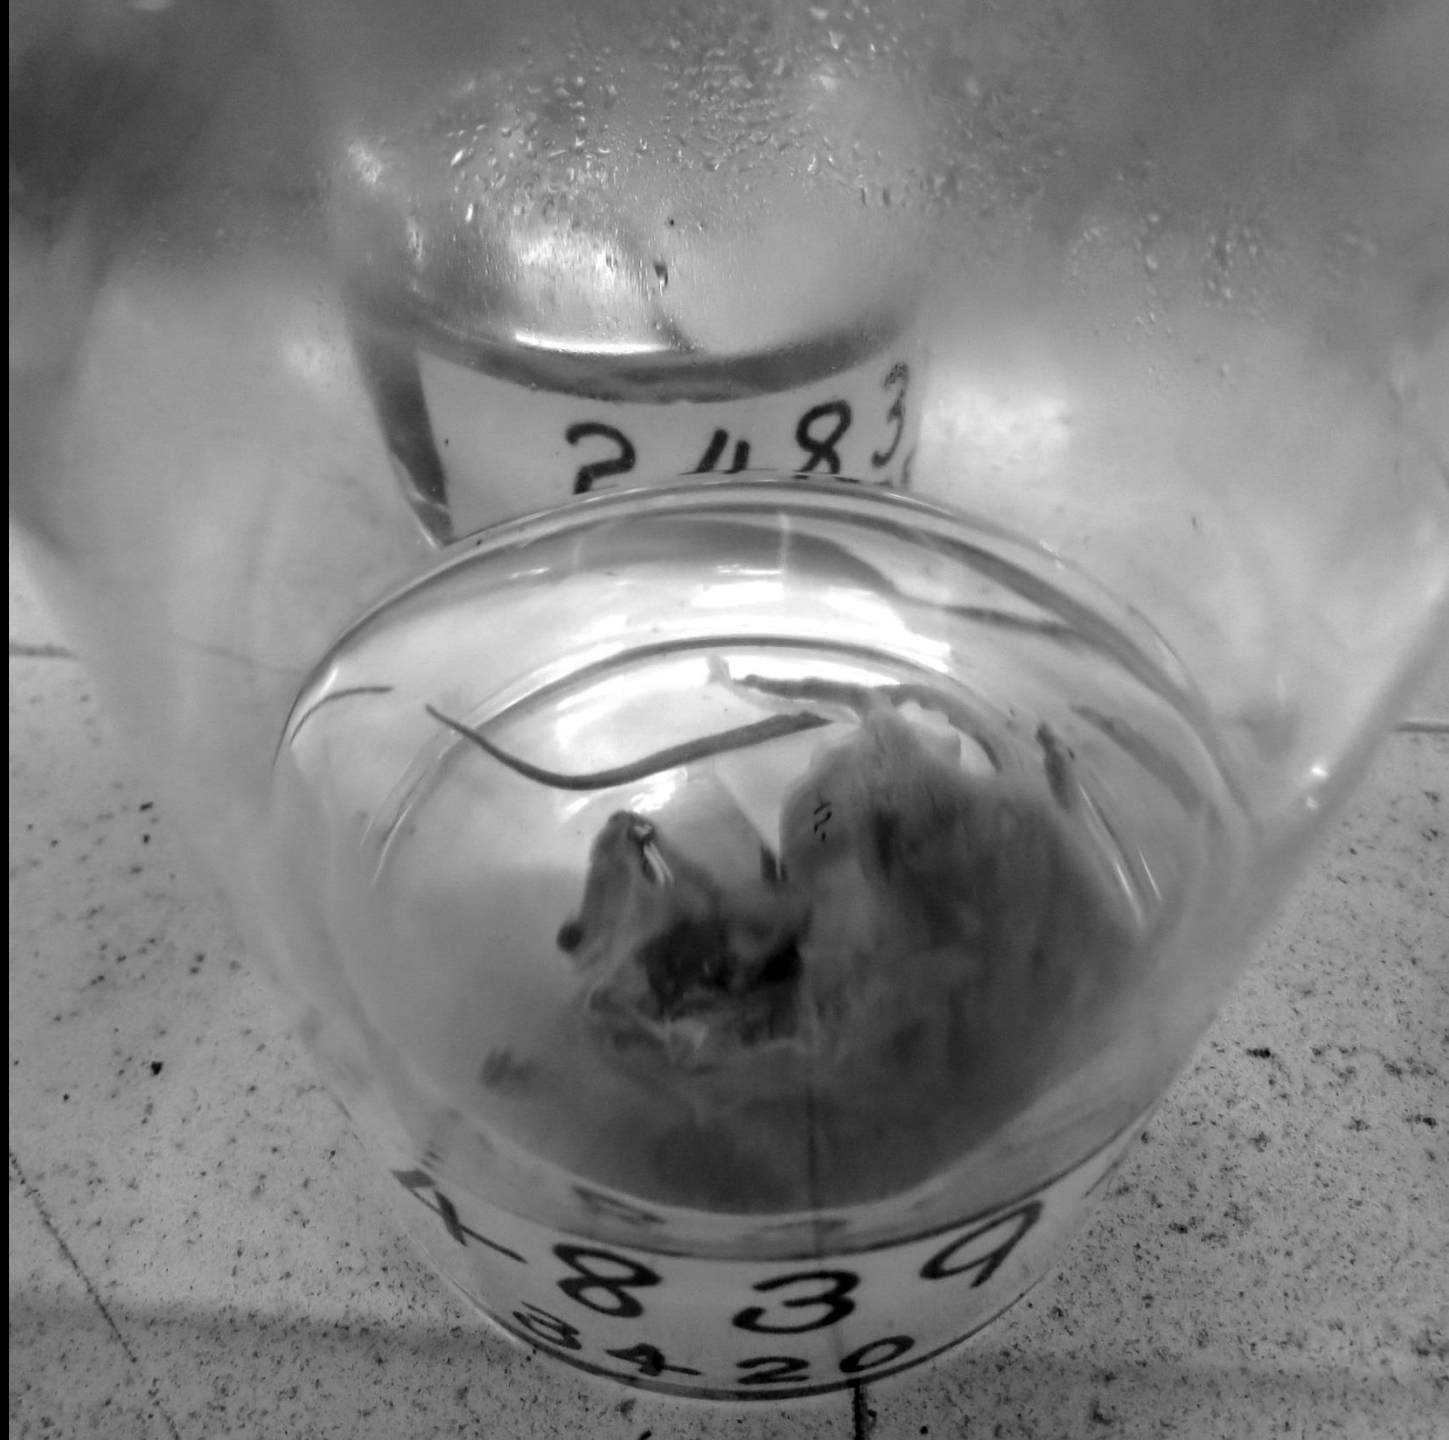

: this is what people say :

: what is visible is here :

: still in the shadow of the bomb :

: it means that they carry the fear inside of you :

: how long can a body last? :

<http://503i.nttdocomo.co.jp>

: it is the last note that still lingers in the air :

: we are still in the *before* the *after* :
